and
The Camas Education Association (CEA)**

**Agreement Regarding
Link Crew and WEB (Where Everyone Belongs) Advisor Stipends**

This agreement confirms the addition of Link Crew advisor stipends at the high school level, and WEB (Where Everyone Belongs) advisor stipends at the middle school level.

These activities center around student social-emotional health, as both groups engage with onboarding students into the school through activities prior to the start of school focused on transitions among levels as well as welcoming students to the school through student leadership and activities. The stipends below may be awarded to multiple employees within each secondary school.

Link Crew (High School)

- Create a Link Lead stipend, Lane 10
- Create a Link Assistant stipend, Lane 7
- Create a Link Support stipend, Lane 5

WEB (Middle School)

- Create a WEB Lead stipend, Lane 10
 - This replaces the “Leadership” stipend at the middle school level

These activity stipends are ongoing and will be added to the Extra-Curricular Activity Schedule in 2023 with contract renewal.

Agreed to this 14th day of September 2020. Signed this 15th day of October 2020.
